OFFICE OF LEGISLATIVE COUNSEL

Friday - 16 October 1964

Space Analysis Center called and indicated that he had had an inquiry from Mr. Floyd Sweet of Mr. Webb's staff at NASA, indicating that questions raised by Mr. Frank C. Diluxio, Staff Director of the Senate Aeronautic and Space Sciences Committee, during a briefing this week indicated some possible familiarity with SI information and wanted to know whether the Agency had provided the Committee with any such briefings. Le responding that the Agency has provided no briefings at that level and has not met with the Committee in some months. 2 in response to his call, I must with Mr. James Gehrig. Legislative Assistant to Senator Stuart Symington (D. Mo.). Mr. Gehrig also asked whether we had been giving briefings on the	25
raised by Mr. Frank C. Dilusio, Staff Director of the Genate Aeronauticand Space Sciences Committee, during a briefing this week indicated some possible familiarity with 31 information and wanted to know whother the Agency had provided the Committee with any such briefings. Le responding that the Agency has provided no briefings at that level and has not met with the Committee in some months. 2] 25
and Space Sciences Committee, during a briefing this week indicated some possible familiarity with SI information and wanted to know whether the Agency had provided the Committee with any such briefings. is responding that the Agency has provided no briefings at that level and has not met with the Committee in some months. 2] 25

t for him if he desired, but that we had provided our routine briefings for reganizations such as NASA. Mr. Gehrig asked further whether NASA night have been in contact with the Sonate Aeronautice and Science Committee which I responded that I believed they had. The foregoing appeared to newer Mr. Gehrig's curiosity completely, and he advised that he needed a further information in this area.	
3. Met with Mrs. Mary Lynn Gilbarte.
